GUEST SPEAKERS

Celia Williamson, PH.D

Topic: Implementation of Safer and More Effective Street Outreach

Dr. Williamson is one of the top 30 most influential social workers alive today. Dr. Celia Williamson has over 25 years of anti-trafficking experience. She is a professor of social work at the University of Toledo where she has received 13 years of federal and state funding to study sex trafficking. Planning and implementing successful street outreach programs takes knowledgeable implementation. Learn the most effective steps that will lead to safer and more successful connections with vulnerable others.

Celia's Book

Elizabeth Williamson

Topic: Familial Sex Trafficking of Minors

Elizabeth is a survivor-advocate, who has done direct service work with survivors at the local, regional and national level. For the past decade, she has trained and spoken nationally to audiences regarding her survival of familial trafficking to help dispel the myths surrounding this topic and to empower individuals to help make a difference.

Louie Greek

Topic: Truckers Against Trafficking

Louie Greek is a Training Specialist with Truckers Against Trafficking (TAT), a 501(c)3 organization that exists to educate, equip, empower and mobilize members of the trucking and travel plaza industry to combat domestic sex trafficking. He will discuss how human trafficking intersects with the transit industry and provide a summary of ways you can help save lives using TAT training and materials.

Gene Hill, BSEE

Topic: Keep Children Safe on the Internet!

Gene Hill is the President of Freedom13 <http://www.freedom13.org/> and his organization functions to keep children safe online and out of minor sex trafficking through education and awareness, educating against DMST. The FBI estimates three-quarters of a million traffickers and pedophiles are waiting every time a child goes on the internet. He will discuss where they lurk (apps) and how they recruit. What is new and dangerous with technology? Gene will provide age-appropriate techniques to make children safer from and on the internet.
