

JOB POSTING – SITE NAVIGATOR

Without Permission is a non-profit, faith-based organization that works to end sex trafficking through Prevention, Justice, and Restoration. With a national collaborative partnership network, local community involvement, church mobilization and distinctive training programs, our volunteers and staff are making a decided difference in the Central Valley.

Description and General Duties

We are searching for a Site Navigator to work directly with survivors of sex trafficking one on one and in groups as they move through the six cornerstones of our Restoration program. The Site Navigator works within a team of Staff and Volunteer Navigators, meets with clients throughout San Joaquin and Stanislaus counties and at our treatment facility in Modesto, and attends client team meetings as well as local task force and other networking meetings. This position reports to the Director of Programming & Program Manager.

Spiritual Responsibilities

The ideal candidate has a personal faith in Jesus Christ, with a servant's heart, who is active in a believing community. They shall commit to operating under the 5 core values of Without Permission: serving, community, family, faith and excellence. They shall be active in prayer for the ministry; motivating the volunteers in Without Permission to follow their lead. They shall be free from any addictions that would hinder their example to other staff or volunteers.

Distinguishing Characteristics

Our ideal candidate embodies compassionate servant leadership, is trauma-informed and has the ability to operate within a multi-disciplinary treatment environment. This individual is highly relational and flexible, able to handle confidential information while being organized and able to meet documentation deadlines, and agrees to operate under Without Permission's 5 core values: serving, community, family, faith and excellence.

Preferred Education and Experience:

- High School Diploma;
- 1-2 year experience in a related field with supervisory or leadership skills preferred;
